

**REMARKS**

In the Office Action, claims 25, 31 and 41 were rejected due to informalities. Corresponding revisions to those claims have been made. In the Office Action, claims 25-43 were rejected under non-statutory obviousness-type double patenting over claims 1-3 of U. S. Patent No. 6,964,369. A Terminal Disclaimer is submitted to overcome that rejection.

Reconsideration and entry of this amendment is respectfully requested.

Respectfully submitted,

Donald L. Schilling
